If you have any questions or want a more detailed description of how you can choose a quality homeschool writing program, be sure to check out the presentation!

PREPARATION

- How do you homeschool?
- How much time can you give for Parent/Mentor involvement?
- What is your child's learning style?
- What do you want your child to learn?
- What are you looking for in a curriculum?
- What kind of curriculum does your child "buy" into?

CHECKLIST FOR A WRITING PROGRAM

Congratulations on educating yourself on the nuances of what to look for in a writing program. There is a little room after each question for you to make notes.

CHOOSING THE CURRICULUM

- Does it have a rubric?

- Are there different expectations from the beginning of the year to the end?

- Is there some kind of parent education?

- What skills are they teaching? More than editing?

- Is there some kind of modeling?
How will your child understand how to do a new concept?

- Is there a self-edit and revision process?
How does your child grow as a writer?
